

GUIDE TO 401K MANAGEMENT FOR

JOHN DEERE

ADDITIONAL INVESTMENT OPTIONS IN YOUR 401K

Did you know your John Deere 401K plan offers a self-directed brokerage plan option through Fidelity's BrokerageLink?

Your Deere 401K 'Core' Plan has a limited list of mutual fund options. However, you are eligible to open a BrokerageLink account where up to 100% of your entire account balance can invest in a more expansive list of index funds and mutual funds with professional management!

POTENTIAL BENEFITS TO YOU:

- Improved asset allocation.
- Portfolio customization based on your risk tolerance and objectives.
- Professional, active management.
- Increased transparency of what you own.
- May decrease internal investment cost structure and fees.
- Reduced overlap of investment holdings.
